- ◆ Cost is: CEU = \$30, Graduate Credit \$55, payable to Adams State University

- ◆ Credits are issued once/semester
- ◆ A complimentary official transcript will be mailed to the participant's home address
- ◆ If additional transcripts are required, or sent elsewhere, they can be ordered, and paid by credit card, at [www.getmytranscript.com](http://www.getmytranscript.com)
- ◆ Because there is such a large variety of institutions that accept CEUs, and range of requirements by those institutions and by each state, it is not possible to identify each institution/type of acceptable credits individually. For this reason, Adams State University classifies our CEUs as "education" – encompassing a wide range.  
If the individual's institution requires proof of content to grant/accept the credit from the Anatomy In Clay® Professional Development, a copy of the Syllabus and Course Outline will be provided for this purpose. To request these documents, contact [stephanie@anatomyinclay.com](mailto:stephanie@anatomyinclay.com)  
Check with your Advisor/Institution to verify that credit will be accepted.
